PragueWay Tours

We are PragueWay Tours – an expert team of locals dedicated to delivering exceptional city tours since 2008.

Our office is situated in the heart of the UNESCO historical area, just steps away from the iconic Charles Bridge. Embracing a ,have fun & learn' philosophy, we ensure a user-friendly and informative experience, covering both the must-see attractions and off-the-beaten-path gems.

Our mission is to enhance your stay and create memorable moments!

LOCAL GUIDES

We are a crew of local expert guides. We welcome all groups of travellers and do our best to provide you with a great time in Prague.

YEARS OF EXPERIENCE

We benefit from 10+ years of experience in Prague city tourism. Our tours are designed to showcase main sights, as well as hidden gems.

SMALL GROUPS

We like to keep our tours more personal and no-stress, therefore, we set reasonable limits for the amount of participants.

PERFECT LOCATION

We are located in the heart of the main historical area, right on the so-called "Royal Path" - main connection of Old Town Square, Charles Bridge and Prague Castle.

We organize tours for open groups, as well as the private and business groups events.

We are excited to guide you and show you our favorite parts of Prague!
